Thank you for selecting us for your orthodontic needs! The initial exam is designed to address your concerns in a relaxed environment. Dr. Catherine Murphy will listen and answer your concerns, complete a visual exam, and provide recommendations.

Records (radiographs (x-rays), impressions (molds) and pictures) *may* be completed the same day *if* treatment is indicated and *if* the schedule allows. The cost for the records is \$195.00. Otherwise, records will be taken at the next appointment.

Below is a map showing the location of the office. Please note that *some* GPS apps do not provide proper directions to our office due it being on the dividing line between Griffith and Highland. Please do not hesitate to call (219.924.4031) if you have problems locating the building, we will be happy to provide directions.
